WATERLOO CATHOLIC DISTRICT SCHOOL BOARD

Problem Solving and Mathematics Team Competition

***Announcing
the Forth
Annual
Problem
Solving and
Mathematic
Team
Competition***

May 30, 2012

8:30 – 11:00 am

St. Mary's Parish Hall
(1st Floor of Board Office)

Teams of 16 students (4 per grade) from each of our 5 Catholic High Schools will compete by working together on mathematics problems. Each team is given a problem set, which is curriculum-based, hands on, may involve technology, solved in groups, engaging and intriguing. As well, identified team members will participate in a math problem relay. An entertaining presentation will complete the morning.

Transportation of school teams is provided.

Speak to your staff math league coordinator for more information.

CHAMPION 2011: ST. BENEDICT C.S.S.
